

Redevelopment Manager Charlotte County, FL

Performs highly responsible professional and managerial and marketing functions coordinating the County's community redevelopment programs and activities. Responsibilities include initiating, planning and directing the implementation of adopted redevelopment plans as well as negotiating and packaging new redevelopment projects. The position also serves as an ombudsman between developers, the County, and federal, state and local regulatory agencies on master plan and redevelopment projects to facilitate timely completion of redevelopment projects and facilities.

Qualified candidates must possess a Bachelor's Degree from an accredited college or university with major course work in Public Administration, Business, Finance, Planning, Urban Programs, Urban Design, Public Affairs, or closely related subject. Three (3) years of experience in economic development, public relations, and/or urban revitalization, or an equivalent combination of relevant training, education and experience.

Authorized salary range is \$62,649.60 - \$103,376.00 Annually. Charlotte County offers an attractive benefits package.

Applications must be submitted online. Please visit www.CharlotteCountyFL.gov and click on "Job Opportunities". Applications will be accepted through September 1, 2017.
