

Director of Elevate Lake. (Lake County, Florida)

Director of Elevate Lake.

Lake County, Florida is seeking a dynamic economic development professional who can lead the development and execution of Lake County's strategic plan for economic development.

With the 6th fastest growing population in the state, and located only 35 minutes from Orlando, Lake County is primed for significant economic growth over the coming decade. The County is home to approximately 330,000 people and has major industry clusters built around health care, manufacturing, distribution and aviation.

The Director will be responsible for the creation and implementation of the County's Economic Development Plan related to the expansion, recruitment and retention of targeted business and industry in Lake County. The position must possess a high level understanding of Lake County's economic drivers, assets and the local stakeholders and partners that are critical to the growth of Lake County. Position is responsible for developing and implementing programs targeting the growth of Lake County's existing businesses, while providing oversight to county government in dealing with regulations affecting the relocation or expansion of business and industry.

The position is responsible for managing assigned budgets, performing related professional and administrative tasks.

Reports major activities to Executive Director.

May be required to assist with emergency support functions in the event of a declared emergency and/or any other emergency duties as assigned.

Requires a bachelor's degree in Business Administration, Marketing, or other closely related field and seven (7) years of progressively responsible related experience. Requires a valid Florida Driver's license.

Applications are being accepted through the County's website www.lakecountyfl.gov.

Lake County is an Equal Opportunity Employer/Drug Free Workplace/Veterans Preference Applies.

Please call the Lake County Department of Human Resources at (352) 343-9596 with any questions.
